DEDICATION

As we finish our last year in high school, we think back over the period of twelve years in school and find that we have learned through hard work and the energy of our teachers.

With this in mind we now dedicate this volume of the Jeffersonian to all future teachers of Jefferson Township High School. We sincerely hope that they will continue their good work and make the school and community proud of them.

SENIOR WILL

We the class of " '52" of the Jefferson High School, of the county of Adams, of the State of Indiana, being sane and sound, "with a few exceptions;" in a weak condition after four hard, dreary years of work, do hereby publish our last will and testament. We now recall each and every promise made by us, either as a group or individual person, in answer to many requests by underclassmates. TO WIT:

I, Marilyn Brewster, will my short hair to Sharon Teeple, some of my weight to Barbara Lehman, and my ability to skip study hall to anyone who can get by with it.

I, Virginia Brewster, will my ability to get in trouble in English class to anyone who can get by with it, and my dark hair to Imogene Miller.

I, Richard Keller, will my seat in front of Mrs. Johnson to James Patch, my blonde hair to Donald Charleston, and my History book, which I don't own, to Barbara Lehman.

I, Gilly Kuhn, will my height to Sharon Teeple, my glasses to Richard Stuber, and my place on the basketball team to Glen Gerber.

I, Larry Miller, will my ability to get along with the teachers to James Patch, my good looking girls to Bob Switzer, and my typing book to Don Charleston.

I, Jack Wendel, will my weight and short hair to Frank Wellman and my ability to swear to Patty Kelly.

SENIOR HISTORY

In the fall of 1939, twelve boys and girls started their long journey through school. The names of the pupils were, Clara Louise Baker, Joyce Brock, Virginia Brewster, Rhita Butcher, Daisy Davis, Richard Dudgeon, Vera Foreman, Margie Smitley, Menno Schwartz Junior, Uriah Schwartz. Virginia Brewster was the only one who finished all 12 years of her schooling at Jefferson. Madeline Steinbrunner was our first and second grade teacher.

Helen Kenney was our third and fourth grade teacher. Bonnie Jean Wall and Claranell Sprunger started their third grade here, but we lost both of them before the year was over. In the fourth grade we gained four, Josephine Ortiz, John Overholser, Susan Rumple, and Mary Hilty.

Mrs. Paul Beaty was our fifth and sixth grade teacher. We had three new members in the fifth grade, Richard Keller, Mary Farmer and Jacob Hilty. There were six who never came back.

There were nine of us who started our first year of Junior High. Virginia Brewster, Mary Farmer, Jacob Hilty, Mary Hilty, Richard Keller, Johnny Overholser, Susan Rumple, Margie Smitley, and Jack Wendel.

In our Freshman and Sophomore year there were ten students. They were Larry Miller, Johnny Overholser, Gerald R. Miller, Richard Keller, Lindell Ross, Jack Wendel and Gilly Kuhn. Marilyn Brewster finished her Sophomore year at Jefferson. Miss Courtney was our Freshman Class sponsor and Mr. Claren Neuenschwander was our Sophomore sponsor.

In our Junior year we lost Gerald Miller, Susan Rumple, and Margie Smitley. The Junior Fall Festival was a great success. The Junior boys also did a swell job on the basketball floor. Mr. Boller was our Junior class sponsor.

In the fall of our Senior year Mr. Albright was appointed class sponsor. We chose Richard Keller as president, Jack Wendel, vice president, Virginia Brewster, secretary and treasurer. We lost Lindell Ross and John Overholser in our Senior year. Representing the Seniors on the Varsity team are: Jack Wendel, Dick Keller, Gilly Kuhn, and Larry Miller.

CLASS HISTORY

Eleven years ago in September of 1941, a group of excited young children met in the first grade room of the Jefferson Township High School. It is interesting to note that out of twenty-two pupils that filled Mrs. Steinbrunner's room for the first time, only four remain, but we have picked up a few here and there since then, which now totals ten. The four which have attended Jefferson High all eleven years are, Don Charleston, Barbara Lehman, Pat Kelly, and Dick Stuber. Bob Switzer had the privilege of starting a year before us, but is with us now. After Miss Steinbrunner promoted us into the second grade, we added a new member into our class which happened to be Glen Gerber. Unfortunately, by the time the semester was over, Miss Steinbrunner had only seventeen pupils left.

As we went from the third grade to the seventh grade we had just a few changes. Helen Kenney was our third and fourth grade teacher and Mrs. Paul Beaty was our fifth and sixth grade teacher. During the fifth and sixth grade years, we lost one member and gained one. The one we lost happened to be Glen Gerber, and one we gained was Imogene Miller.

Our first year of Junior High was pleasantly spent, with Miss Courtney as our class sponsor. Here Miss Courtney guided us through a whole new world of school life. Here we learned the basic of class business, such as raising small sums of money, for which we could use later in the coming years. We had gained another new student for the coming year who was Sharon Teeple.

From the seventh grade we were promoted to the competent hands of Claren Neuenschwander with only thirteen students remaining.

After spending a profitable year with Mr. Neuenschwander we entered our first grade of high school with Mrs. Davis as our home room sponsor. We lost three students and gained one, thus leaving us with eleven students. Glen Gerber came back to be with us again for the following year.

Passing from the ninth grade to the tenth we were welcomed by Mr. Harris, our new coach for the High School. The tenth grade was a very profitable and enjoyable year spent. We had a successful skating party with the help of Mr. Harris.

Moving on into the eleventh grade we were greeted by a whole new group of teachers, Mr. Dallas Albright, our principal; Mr. Peter Metz, our new coach; Mrs. Geneva Johnson, our new English teacher; Miss Marjorie Moore, Home-Ec. teacher and Mr. Jim Moore as our commercial teacher. We had a little tough luck when Mr. Metz had to leave for the service. Mr. Forsyth was our new Government teacher and Junior-High coach, replacing Mr. Metz. Mr. Moore became our High School coach, and our class sponsor. We met for class organization and elected the following class officers: president, Glen Gerber; vice president, Don Charleston; secretary, Barbara Lehman; and treasurer, Frank Wellman. Our class is well represented on the basketball squad. They are, Bob Switzer, Richard Stuber, Don Charleston, and Frank Wellman, with Jim Patch and Glen Gerber as our student managers. Barbara Lehman is serving us as our varsity team cheerleader. We sponsored a Fall Festival which was a great success. There are now ten members left to start our senior year.

A lion got loose at the circus and ran toward a man in the audience. The man broke and ran.

Trainer: Don't be afraid, that lion hasn't got any teeth.

Man: Maybe not, but I'm not going to stand here and be gummed to death!

Dentist: Excuse me a moment, please.

Patient: Where are you going?

Dentist: Before beginning work on you I must have my drill.

JUNIOR PROPHECY

While on business in Detroit, in 1970, we visited the Ritz-Splitz Night-club on 4th Boulevard. As we went in to see the floor show, who should be playing the leading role, nobody but Marilyn Brewster! As we talked to her after the show we found that the twelve young girls in the chorus lineup were hers. She also informed us that they come "cheaper by the dozen."

Before retiring for the evening, we decided to have a midnight snack. As we were driving down Broadway, we noticed a very outstanding sign which read "Brew-Stew—15c." We decided to investigate the situation and discovered that the manager was none other than Virginia Brewster.

The next morning, while driving to North Dakota, we saw a game warden's car and as we passed it, we thought we saw a very familiar face, which happened to be Larry Miller. While talking to him, he told us that he has been a game warden for the past 10 years. He informed us that he was keeping close tab on all pheasant hunters, especially Sunday hunters!

Coming through Minneapolis, we stopped to see a professional basketball game and who should step out to fill Mikan's shoes,—after he was crowned "Mr. Basketball,"—nobody but Gilly Kuhn. After the game we went to the dressing room and talked with Gilly. He told us that the Lakers are now referred to as "Coon and Company."

On our way homeward, we stopped at the Indianapolis Speedway to see the Five Hundred Mile Classic. As we watched the race, we saw Jack Wendel speeding by in the General Motors latest racing car powered by Chevrolet. After a few laps, here came Jack around the curve pushing his hopped up Chevrolet, after his motor had burned up.

As we were returning home through Blue Creek Township we passed by a prosperous looking chicken farm. We stopped in to investigate and found it was owned and operated by Richard Keller. While talking to him, we learned that he had cooked up a new formula for high school henpeckness.

We sincerely wish all our classmates the happiness of a full and satisfying life.

CLASS HISTORY

In September of 1942 nineteen frightened boys and girls started their long journey through school with Mrs. Steinbrunner as teacher. In the third and fourth grades with Miss Kenney as our teacher we had lost a few and also gained a few new ones. In the fifth and sixth grades our teacher was Mrs. Beaty, and Paul Stolz, Olen Bollenbacher, and Clifford Kuhn joined us. In the seventh and eighth grades Orla Kuhn and Josephine Uhrick joined our class. Linda McCain joined us in our Freshman year but Linda and Jean Weaver left us at the end of the year. At the beginning of this year we had thirteen members in our class but Olen Bollenbacher dropped out and Larry Coblentz moved to Arizona leaving only eleven members to carry on.

With our sponser, Mr. Metz, we elected Roland Tumbleson as president, Clifford Kuhn as vice-president, and Jerry Mae Smitley as secretary and treasurer.

On November 9th Mr. Metz had to leave us to go back to the Navy. He was replaced by Mr. Forsyth who is now our sponser.

Our class is not outdone by any other class in that we have Paul Stolz, Orla Kuhn, Richard Butcher, Roland Tumbleson, and David Hammitt representing us on the basketball team. Jerry Smitley also serves as cheerleader.

CLASS HISTORY

Twenty-eight uncertain children entered school in the fall of 1943. Mrs. Steinbrunner was the teacher in both the first and second grades. Nineteen were left to carry on with Miss Kenney as the teacher in the third and fourth grades. Mrs. Paul Beaty was the teacher in the fifth and Mr. Robert Paxon was the teacher in the sixth grade. In 1949 nineteen trudging students entered the Jr. High. In the seventh and eighth grade Gloria and Kermit Garner, Christine Smitley, Katherine Coblentz, and Lois Bauer left Jefferson.

Twenty-one students entered the freshman class, but, James Cook and Lowell Brandt left us. We chose the following officers: president, Roger LeFever; vice-president, Darrel Miller; secretary, Evelyn Ellen Kuhn, treasurer, James Adams. On Nov. 13, 1951, we had our first class party. Alice Rose Stuber of the freshman class was elected queen of the school. Our freshman initiation was a great success. We are well represented on the basketball squad with Rog LeFever, Jim Reef, Donald Keller, Darrell Miller, and James Wellman. We are proud to have Miss Moore as our class sponsor.

We had our first class party October 19, 1951. We stayed after school for a wiener roast, then we enjoyed a hayride.

Mary Jane Brooks was elected as our candidate for queen.

Some of the boys in our class are on the Junior High basketball team.

EIGHTH GRADE CLASS HISTORY

JOKES

"Unmarried?" asked the census taker.

"Oh dear, no," replied the prim little lady. "I've never even been married."

A cowboy wearing an enormous, flashing gem was asked by an awestruck friend: "Is that diamond genuine?"

"If it ain't," the cowboy drawled, "I sure been beat of a dollar and a half."

Mr. Black—"How's business with you, old man?"

Mr. Brown—"Looking up."

Mr. Black—"What do you mean, looking up?"

Mr. Brown—"Well, it's flat on its back."

Photographer—"Will you please raise your chin a bit?"

Plump woman with a sense of humor—"Which one?"

"Why is Miss Jones wearing black?"

"She is mourning for her husband."

"Why she never had a husband."

"No, that's why she mourns."

Mrs. Johnson—"What part of speech is nose?"

Larry—"None. You speak with your mouth."

Farmer: "And how is the lawyer coming along?"

Doctor: "Poor Fellow, he's lying at death's door."

Farmer: "That's grit for you . . . at death's door and still lying."

Student: "Do the Canadians have a Fourth of July?"

Teacher: "Of course not."

Student: "What do they do? Go from the third to the fifth?"

Why worry because you're getting older?

When you stop getting older, you are dead.

Plumber: "Well, have you brought all the tools?"

New Boy: "Yes, sir."

Plumber: "You would!"

TYPING

Typing is my favorite class
Even though I never pass,
My speed is slow, my accuracy poor
And when I'm late, I don't get inside the door.
Those yellow slips that I hate so,
Shows Mr. Moore, that I'm just plain slow.

By Pat Kelly

LITERATURE

My Literature period is the best,
I read the first and forget the rest,
Of all the grades I've got this year,
Those F's in Literature brought me many a tear.

By Barbara Lehman

GOVERNMENT CLASS

Government class is the very last thing,
We toss our books and give them a fling,
Put on our coats and run for the door,
Good-by to government—for evermore!

Sharon Teeple

THE THING!!!

Tall dark and handsome,
But oh! what a man!
Try skipping his classes,
He'll catch you (if he can).
Chewing gum in class, is against his law,
And if you do, your grades will fall,
Who is this guy, that we've told you about?
Turn to page 30, and there'll be no more doubt.

Pat and Barb

TEACHER'S PET????

It's in Government class, that I catch all my heck,
He *yells* and *yells* and says, "At least show your respect."
Who is this demon—"he"—that I'm talking about?
Why, it's Mr. Forsythe—the big ole grouch,
I sit there and day dream of the week-end that's past,
Class is over—the bell rang—at last!
I hope you realize, this poem's just a joke,
But for my grades and exams—I have no hope!

Pat Kelly

JOLLY JUNIORS

The jolly Juniors of fifty-three,
Is a small class that seems to agree.
In one more year we'll all be gone,
But still we will sing our old school song.
We still have in mind the things we have done,
Of the work and play and all our fun.

Junior Class

The man chased the train to the end of the platform, but failed to catch it. As he walked slowly back, mopping his brow, an onlooker remarked: "Miss the train?" "Oh, not much," was the reply. "You see, I never got to know it very well."

SCHOOL SONG

Rah! Rah! for Jeff High, Jeff High will win
Fight to the finish, never give in
Do your best boys, we're all here
Fight to the finish, don't give in
You are the best team, carry it through
Fight for your school boys, best you can do.
Win this game and we'll go tell, Jefferson High School.
Rah! Rah!

Cheer! Cheer! for Jefferson High
Fling out your colors to the sky
Come on boys, let's win why not
We know you're always on the spot
You got the vigor and the vim
And with these words you're sure to win
We will fight until the end and
Onward to victory.
Rah! Rah!

for

The Home Ec. Room has been improved with new stoves, cabinets, a refrigerator, and a new electric sewing machine. It has been redecorated and enlarged and made into three individual units. This improvement has encouraged interest in Home Ec. until practically every one in school is taking cooking and sewing.

Now toilets and lavatories have been installed in the basement. It has been painted and new cement was poured. Quite an improvement over the sheds in the woods.

The P. T. A. had an auction to make money to buy a new bass drum for the school band. One of the best was purchased.

The school this spring purchased a new prismatic screen for the movie projector. This screen will work in a lighted room as well as in a darkened room.

This spring new seats were purchased for the 1st and 2nd grades. They are portable-chair and arm combination.

The teachers were delighted one morning this year when they came to school and much to their surprise there were new desks awaiting their use.

New water fountains were installed, on the first floor a small fountain was installed for the children.

UNCLAIMED

"Did anybody drop a roll of bills with a rubber band around them?"

"Yes, I did," several voices answered.

"Well, I just picked up the rubber band," said the gentleman calmly.

Joe: Did you have the radio on last night?

Moe: Yes.

Joe: How did it fit?

Highlights of the Year 51-52

Mrs. Johnson conquers her Junior and Senior English class.

Water floods basement, no school for two days.

Mr. Moore paddles Dick Butcher. Broken paddle.

Miss Moore didn't like her name so she changed it to Rhodes. We understand that he washes the dishes for her.

Gilly Kuhn forgets his basketball clothes on the night of the sectional. Makes flying trip home.

Keller and Kuhn suspended from basketball team for one week. Girl trouble.

Alice Stuber crowned Queen at Fall Festival.

Snow closes school for four days. Hurrah!!

Jim Patch and Francis Wellman SUCKS bottle in front of assembly to show off their jaw strength for magician.

Francis Wellman enjoyed three weeks vacation in fifth and sixth grade room.

Big Powerful Dodge gets away from Wellman and bulldozes trees.

The Seniors furnish hot lunch for the school for the first time. Serving hot dogs, ice cream, pop, candy, and milk.

Bob Switzer and Jack Wendel gets mail from Uncle Sam.

Blinky graduates this spring if she gets to work.

Senior boys skipped school to go to John Deere Day at Berne.

Gilly Kuhn makes twenty on a typing test, his second year of typing.

Patty Murphy was candidate for "Girl of the Limberlost." She was second.

Mr. Albright orders diplomas. Questions who will get them.

Our Hoosier School Master

Mr. Albright is a peach,
And he always remembers his job is to teach,
In every class that he teaches,
He never knows when to end his speeches.
He teaches addition, division, and subtraction,
And multiplication of some fractions.
He also teaches the seventh grade's history,
How he remembers it all is a mystery.
He may keep us on the run,
But just the same, he's lots of fun.

Pat M., Imogene M., Sharon T.

Moore—No More!

Miss Moore fooled us all, you know,
By skipping school and catching a beau,
Mrs. Rhodes is now her name,
A grocer's wife might bring her fame.

Junior Girls

Proud Parent: "Yes, Junior is only four, and he can spell his name backwards."

New Neighbor: "Remarkable. What is his name?"

Proud Parent: "Otto."

Cowboy: What kind of a saddle do you want — one with a horn or without?

Dude: Without I guess. There doesn't seem to be much traffic on these prairies.

KELLER'S WISE CRACKS

Said the boots to the cowboy—"You ride—I'll go on foot."
The big rose to the little one—"Hi, bud!"
One light to another—"Let's go out tonight!"
One ear to another—"Funny we haven't met—we live on the same
block."
Big toe to little toe—"Say, I think there's a heel following us."

Mr. Albright: Why does the sun never set on the British flag?
Bright Seventh Grader: Because they take it in at night.

Sophomore boy to Mr. Forsyth: Fishing, mister?
Mr. Forsyth: Nope. Drowning worms.

Policeman (Calling Precinct): "A man has been robbed down here, and
I've got one of them."

Chief: "Which one have you got?"

Policeman: "The one that was robbed."

"Well," said the farmer, "he broke two spade handles yesterday."

"Working so hard?"

"No leaning on them."
